Faculty and Staff

Happy Birthday!!

Matt Atwell (HS/MS Assoc. Principal)

17 September

****SPECIAL PARENT NOTICES****

Middle School Academic UIL

It is Academic UIL season, which is an opportunity for students to compete against students from other schools in academic events like Math Sense and Ready Writing (lots more). We have teachers who will help coach them to success! Please have your child stop by Ms. Oeffinger's classroom (room 24) so they can sign up for this fun competition.

Middle School Yearbook this year and last year.

Middle School yearbooks for last year are being corrected by the publisher and will be returned to use in a week or so.

Also, here is a note from the new yearbook sponsor, Ms. Schmidt

We Need Your Pictures!!!!

The RMS yearbook staff would love to use some parent and student photography in this year's book.

If you attend a school event and take pictures, please feel free to send them our way.

We are looking for pictures of sports, academics, clubs, and student life (both on and off campus).

The link to do so is on the RMS website main page, <https://rms.rfisd.net/>, and the code to submit is **RMSPICS. Please also include information on the event and names and grade of those in the photo (whenever possible).**

Cafeteria News:

A student information packet will be sent home with your student's first progress report. This application, printed on blue paper, is a vital document to be able to provide students at RFISD a top notch meal at no cost. Your participation in filling out and returning this form helps RFISD provide fantastic programs such as the free and reduced lunches. Please return your completed form to the front office as soon as possible.

Randolph PTO News:

Check out PTO's updated website! It's filled with new info – including a “New and Now” section.

Want to volunteer? Check out our “Volunteer With Us” page on our newly updated website to view volunteer opportunities, such as WIN and Picture Day assistance. <http://randolphpto.org/volunteer.html>

Interested in Spirit Night or Spirit Wear? Support the Randolph ISD PTO by viewing our “New and Now” page on our website. Information and links to these events can be found at <http://randolphpto.org/newandnow.html>

Athletic Booster Club Info:

We hope to try and create a "team-parent" atmosphere for our athletic teams. Most teams have a lead parent that will communicate with the coach. You are more than welcome to join in to help provide treats, meals, and/or a celebratory atmosphere on game day. If interested, please use this [sign up genius](#). This is not an athletic booster club activity, but rather a parent-led activity.

The athletic booster club is registering new members. If your child is in athletics, your involvement makes their experience all that more special. Membership dues help create scholarships, advocate for our coaches, and provide the athletes with support and a positive environment. To join, please follow this link: [ABC REGISTRATION](#)

RHS CHEER:

The Randolph Cheerleaders are selling [#Ro-HawkNation](#) decals for \$10 each. They measure 15" across and 2" high. To purchase, ask any Cheerleader or they can also be purchased at the Front Office.

Parent Webinar Opportunity

Texas Association for the Gifted & Talented, Fall 2021 Parent Webinar

Tuesday, September 14, 6:30 p.m.-7:30 p.m. (CST)
Sparking Curiosity and Delight
Amber O'Neal Johnston

When children show strong abilities in one academic area or another, the adults in their lives often encourage them to pursue hobbies and careers that play off those strengths. That may certainly be an advantage, but sometimes the strategy can leave children feeling incomplete. In this session, we'll explore a path that supports academic growth while sparking curiosity in childhood. Learn how to come alongside your kids as they dive deeply into the passions and interests that make them come alive!

Register through https://us02web.zoom.us/webinar/register/WN_f8jX9ARkSsKsfWgGx0herA

If you want to join us in the Launchpad located at Randolph Secondary Schools instead of viewing the webinar at home, please RSVP Dr. Allana Hemenway, RFISD GT Coordinator, at hemenway@rfisd.net by Monday, September 13, 2021.
